Little Star publicity:

We are asking families if they would like to be involved in publicity as this helps to raise awareness of children's cancers and more funds for research. If you are interested in helping us do this, a Cancer Research UK press officer may contact you to talk this through with you. Your details will not be passed to the media without your prior agreement. You are under no obligation to take part in publicity and we will respect your wishes should you choose not to. **If possible, we would like a picture of your Little Star, which can be e-mailed or posted to us. Unfortunately we are unable to return original copies of photographs.**

I am happy for my Little Star to help with publicity and I consent to details of our experience and names / pictures to be used.

I would prefer not to help with any publicity
